Celebrate the Fourth in the most spectacular way, with a flight on a vintage World War II warbird! Put your hands on history and experience the sights and sounds of authentic American aviation history with a flight on the Commemorative Air Force B-17 Flying Fortress, *Texas Raiders*, the most iconic bomber of its time or climb aboard the ferocious twin-engine ground attack aircraft the A-26, *Night Mission*, the one of the fastest planes in the CAF fleet. Want more? Settle in behind the .30 caliber machine gun of the notorious Navy dive-bomber the SB2C *Helldiver*, the only flying example of its kind in the world. Take the ultimate Living History Flight Experience, and see Tyler from the sky! Online reservations start at \$475 for the B-17 bomber, \$450 for the A-26 ground attack aircraft, and \$995 for the SB2C dive-bomber.

The CAF is operating under special precautions to defend against the spread of COVID 1; as such, flights are available by appointment only and cockpit tours will not be available to the general public.
